4. (Internal Use Only - PLC) Marty Konrad, caseworker in the office of Representative William J. Keating (R., Ohio), called again and requested whether we had any information concerning [REDACTED] a son of a constituent who has been missing in Mexico for the past year and one-half. Konrad had made the same call several months ago. I again confirmed to her that any assistance must be sought through State Department and the FBI; and if we developed any information concerning [REDACTED] it would be reported to the State Department. She said she clearly understood, but [REDACTED] parents have been pressing again very strongly and she promised that she would call all possible agencies. [REDACTED]
